YOUR BAR TRAINING WITH THE ICCA

Designed to equip you with the knowledge and vital practitioner skills required to achieve success in pupillage, you will experience an innovative Bar training course delivered in two parts using a combination of in-person teaching, e-learning and self-study.

PART 1

On Part One, the knowledge subjects of Civil litigation/ADR and Criminal litigation are delivered entirely online, designed by experienced practitioners and academics utilising technology to its fullest potential to take you into the courtroom and experience law in practice. Our extensive question bank and bespoke interactive learning and testing techniques are designed to fully prepare you for the BSB centrally set assessments.

Students interact with one another in both social and study groups and engage with staff in online forums and revision webinars. Pastoral support, careers advice and invitations to extracurricular events are available to all students.

Part One commences in September 2025 or January 2026 and can be completed following a guided pathway (over 12-14 weeks) or self-paced over a longer period, accessing the course content at any time of day and from any location, a flexible option for those with work or caring responsibilities.

Your Part One fee of £4,020 includes the BSB levy and all the text books and learning resources required to take your BSB assessments.
